### Stationery Pack

Recycling and handcrafts from around the world are the hallmarks of this bumper Stationery Pack. From recycled elephant dung to recycled car tyres, our Stationery Pack is highly rated for its positive environmental impact, as well as having undergone The Fair Traders Cooperative Assessment Process on social and economic impacts. Includes a huge variety of notebooks, pens, pencils, rulers, files and pencil cases.

### Fashion Pack

A selection of affordable fashion accessories, which are fun, unique, and in a class of their own. With this pack you are helping to sustain communities from Cambodia to Nepal, as well as local UK artisans, all of whom have undergone The Fair Traders Cooperative Assessment Process on their social, environmental and economic impacts. Includes rings, bracelets, necklaces, earrings, scarves, purses, brooches and hair accessories.

### Fun Stuff

Fairtrade is Fun, and our Fun Stuff Pack is out to prove it. The theme is unique and colourful items which have been handcrafted around the world from local or recycled materials. We have included tin animals, beaded geckos, felt brooches, craft packs and more. Every product has been assessed for its positive impact on the planet, social communities and their economies.

### Pamper Pack

A feel good collection of pamper products. 'Feel good' because each and every product has undergone the Fair Traders Cooperative Sustainability Assessment with regard to its environmental, social and economic impact. 'Feel good' because we all need a little pampering from time to time. Includes lots of lovely smells and fizzes for the bath, creams and balms. Indulge!
